IFAP EXTRA

myosh 3.0 due for release

More features, even easier to use, and best of all, FREE to upgrade!

An upgrade for your **online OSH management system**, myosh, will be available during **November**. myosh 3.0 offers a host of new features and you will notice improved performance in your system.

Some of the exciting things to look forward to include a new look interface with even easier navigation including "jump to" functions and a domain search feature.

The report generator feature has been significantly improved to include:

- reporting against KPI's;
- graphical dashboards; and
- a higher level of user control.

myosh 3.0 will be fully compliant with web standards, ensuring it works with all major browsers, and offers a host of other technical improvements.

For further information, or to arrange a **free trial**, please contact Ross Pratt, Team Leader Technical Sales on **(08) 9333 9957** or at rpratt@ifap.asn.au.

SAFETY08 CONFERENCE WINNER

Congratulations go to Barry Gresham, OH&S Manager, Mincor – North Kambalda Operations who was the successful myosh competition winner at the recent Safety08 conference. Barry won a Nintendo Wii.

Join Us for Breakfast in November

If you are unsure how the new Safety Case Legislation may affect your organisation you won't want to miss our upcoming breakfast presentation.

A 12 month moratorium for Major Hazard Facilities (MHF), defined under the new Dangerous Goods Safety Legislation, expires in **February 2009**. Facilities classified as an MHF will require an approved Safety Report if they wish to operate beyond this date.

On **Tuesday November 25**, Stephen Kamarudin, Technical Director, Gulibiru, will address the recent changes impacting new and existing Dangerous Goods storage facilities.

To register please contact **Cindy Goncalves** on **(08) 9434 9055** or at cgoncalves@ifap.asn.au.

Golf Day Raises \$3,500 for PBF

A field of more than 100 golfers braved a rainy day in September for IFAP's 5th annual golf day.

The rain didn't deter the infamous course residents at The Vines - the kangaroos - nor the spirit or handicap of the players. Our thanks to all who turned out on the day and congratulations to all of our winners, especially the team from Atwood Oceanics who took out the grand prize.

IFAP is a proud supporter of PBF, and was once again pleased to be able to donate proceeds from the day, a total of \$3,500, to help their cause.

Spinal Cord Injury Awareness Week is planned for 10-16 November to raise funds for the Recreational Program at Shenton Park Hospital. For further information on activities planned contact Cristin Plath at PBF on (08) 9443 1777 or at cplath@pbf.asn.au.

2009 Safety Calendar Now Available

IFAP would like congratulate Lake Grace District High School students **Beth Curtin** in Year 5 and **Shannon Smith** in year 7 for their outstanding safety illustrations, chosen as the cover images for IFAP's 2009 Safety Calendar.

The calendar judges were delighted with the response received this year with a total of 13 WA primary schools participating in the competition. The range of colourful artwork and practical safety messages included issues in the workplace and at home: sun safety, use of PPE, fire safety, safe driving, healthy eating and more.

A total of 14 students from 12 schools will see their important messages in print when the calendar becomes available for purchase in **mid-November**.

IFAP's Safety Calendar Competition has been running for six years now. This community safety initiative, aims to stimulate discussion of work-related safety issues. Following these discussions, students were invited to illustrate their views on safety in the workplace and at home.

IFAP would like to thank Main Roads for their continued sponsorship of this project. To order copies for your workplace, please contact **Cindy Goncalves** on **(08) 9434 9055** or at cgoncalves@ifap.asn.au.

Safety Practice Rewarded

Excellent safety practices have won five Perth Royal Show operators awards.

In their second year, the IGA Perth Royal Show Safety Awards have expanded from a single award into four different categories covering all aspects of the Show. The awards are intended to inspire commercial exhibitors and operators at the Show to uphold the most stringent of safety practices.

Judging against a criteria which included demonstrating safety innovation and complying with safety legislation, we congratulate the following operators:

- Catering: Mobile Turkish Cuisine's Healthy and Tasty
- Rides / Amusements: Amusement Services and Supplies for Bumper Boat Fun
- Commercial Exhibitors: Anaconda and Segals Oasis Outdoor Furniture
- Show People: Scouts Australia (WA).

In addition to sponsoring the award, IFAP were responsible for emergency co-ordination and the provision of safety officers for the duration of the Royal Show.

New Look Conference in '09

2009 will bring a new look conference to WA safety practitioners.

IFAP and Vertical Events will be joining forces with SIA WA to co-host what will become WA's premier safety event. The event will be held at the **Esplanade Hotel, Fremantle** on **18 and 19 August 2009**. Keep an eye out for further information in the New Year.

Our congratulations are extended to Professor Clare Pollock who was the winner of the Most Outstanding Presentation Award at IFAP's Safety08 Conference. Professor Pollock, Head of the School of Psychology at Curtin University of Technology presented the topic *Making Behavioural-Based Safety Stick*.
